Subject: for Dimock update

R3 supplied Qs and As on Dimock to OCIR and OSWER in preparation for the June 28 House Science, Space, and Technology full committee hearing, at which the Administrator will be the sole witness. The title of next week's hearing is "Strengthening the Scientific Backbone of the EPA: An Examination of Agency Practices and Foundations for Regulations Affecting the American Economy". Dimock was one of a multitude of topics for which Qs and As were requested by OCIR. (Jennie Saxe, 215-814-5806)
